What's New?

Hope you all had a wonderful Easter and a great spring break with your children! Before we know it, snow will be gone and our kids can play outside without having layers of extra clothes on! Something I look forward to!

Our General Annual Meeting is coming very soon. Thursday April 12 at 6:30, we will meet in the school library. We will be hearing from each executive member a review of their year in review. Also, our bylaws have been amended and added to - these will be accepted at the meeting also. Please take some time over the next week to read them over. They are accessible on our schools website.

Elections are held at each annual meeting. Please consider if holding a position is something that would be of interest to you or someone you know. The goal of the parent council is to support your child's school and its administration through discussion and providing financial support where needed. Our most recent act of support were funds provided for school agendas. These are really important roles to fill, and each new face and opinion is of great value!
