

LAMONT ELEMENTARY SCHOOL ADVISORY COUNCIL

Welcome to a new academic year at Lamont Elementary School. Thank you to the parents who attended our first meeting of this school year. Elections were held and the positions filled as follows:

President – Jodie Bilan

Vice President – Joan Dey

Treasurer – Sylvia McDonald

Secretary – Carmen Andruchow

Fundraising Chair – Tanya Schiller

Welcome to the team Carmen and Tanya and thank you for volunteering your time!

Our first fundraiser, Student Union Ticket Pack sales, began September 3rd and notices went home with students September 11th. They will be offered until October 23rd or while supplies last. SUTP come in the familiar coupon book format or in a mobile app. They will be available through Joan Dey between 6pm and 8pm on September 16th at the Community Awareness Night being held in the Lamont Recreation Center. SUTP can be purchased at the school office until October 23rd, orders can be sent into the school with payments and the books/apps will be sent home with students, or you can contact myself directly at 780-275-0153 (landline voicemail only please) or jbilan@shaw.ca. Tanya will be taking over fundraising in October just in time for the Little Caesar Pizza Kit sales. Watch students' agendas for more information to come on the Pizza Kit dates.

Due to inadequate parental interest there currently will not be hot lunch program this school year at Lamont Elementary School. Lisa Dyck has done a FANTASTIC job the past two years organizing and preparing monthly hot lunches for the students at LES. She also organized the track and field canteen and prepared the food for the annual Christmas Dinner at the school. She deserves a pat-on-the-back and a thank you when you see her volunteering at the school or in the community. It is time now for a new face to step up and volunteer or we will not have these alternative meals in the future. If a parent or group of parents is interested in continuing the hot lunch program please let me know!

The Lamont Elementary School Advisory Council by-laws state that council members can only hold a position for two years. This will leave us with at least three empty positions at the end of this school year. President, Vice President, and Treasurer. As well the Friends of Lamont Elementary School will be looking to fill all of their positions in the next school year. Please think ahead of your children's education and become involved in their school. We meet once a month and the date is chosen a month in advance. Mark your calendars for Tuesday, October 6th at 6:30pm in the school library. Watch the school website for meeting agendas and general LESAC updates.

LAMONT ELEMENTARY SCHOOL COUNCIL MEETING

TUESDAY OCTOBER 6TH, 2015

6:30PM IN THE SCHOOL LIBRARY
