

Newsletter

We would like to wish you a wonderful Christmas!

Hello Parents! It is our desire that you know what's going on in your child's school. We have a wonderful school, we have wonderful teachers, and such an energetic group of kids. There's always lots going on, and it's so hard to keep on top of it all - every one of us knows just how busy life is. Because you all know what it's like to be interrupted in the middle of reading a newsletter, we will be providing a new layout for you.

Hopefully, the result will be all the information you need to know in the shortest time frame possible! We are an excited group of parents that want to implement really great changes to our school. It would be so great if you could join us in this opportunity! Next Parent Council meeting will be held in January 19, 2017.

Fundraising

It is our concern this year and next to do the very best we can for our school. We want to offer the best fundraisers with the most return.

The next half of the school year will offer a second Little Caesars fundraiser. We are also planning to introduce VIP Meats. We have council members with previous experience with this fundraiser, and hey, who doesn't want to order bacon?

Contact Us

We have set up an email so you can directly contact your parent council easily.
lamontelementaryparentcouncil@gmail.com

Also, please look on the schools website as well as our Facebook page for current events and dates you may need to know.
