Community Connections:

- Grade 6 students created and delivered Christmas Cards to the community
- Grade 1 and 2 students created cards for Seniors in the community
- Staff and students donate money to the Food Bank each month as part of 'Loonies for Lamont'
- School Theme Days
- LME Home Challenges that promote literacy, numeracy, and community leadership
- Christmas Food Bank Donations of food, toys and books
- Visits to seniors centre and hospital have been postponed due to COVID protocols

COVID-19 Protocols:

- Staggered school entry to keep cohorts separated
- Hand sanitization before entering the school and when entering or exiting classroom
- Staggered recesses to maintain cohorts
- Students need to be symptom free to be at school
- Enhanced cleaning protocols

* Special thanks to our janitors (Myra & Michael) who keep our school safe and clean

Quality of Education

LITERACY AND NUMERACY:
